

Mr. John Farrell
Maintenance Cleaning Services

2 February 2005

Dear John

The purpose of this letter and our buffet lunch is to recognise you and your work colleagues on the Speke site for your excellent health and safety performance during 2004.

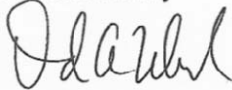

The Lilly, FM and Jacobs EH&S co-ordinators were jointly asked to nominate a company or individuals who provide an example for others to follow and they chose MCS for their 2004 performance citing the following reasons:

- High profile and dangerous work is carried out routinely to a high standard of safety.
- Your staff performs efficiently (day or night) within the required health and safety procedures.
- Your staff maintains a professional approach in reviewing scope/activity to be performed and documenting it accordingly.
- The attitude of your people towards safety is always positive and vigilant in checking for risks.

In addition to the lunch, we are presenting you with a cheque for £250 for the purchase of safety clothing and equipment for your employees.

We look forward to continuing to work with you in 2005 and hope that you will continue to place a high focus on keeping your work as safe as possible.

Yours sincerely

Dave Urbanek
General Manager
