# MCS AWARDED SAFETY AWARD AGAIN

25<sup>th</sup> February 2009

Mr. John Farrell  
Maintenance Cleaning Services

Dear John,

The purpose of this letter and the buffet lunch is to recognise you and your work colleagues on the Speke site for your excellent health and safety performance during 2008.

Lilly, Jacobs and Spie Matthew Hall EHS Co-ordinators were jointly asked to nominate a company or individuals who have provided an example for others to follow and they chose MCS for their 2008 performance citing your consistent overall commitment to site safety.

In addition to the lunch, we would like to offer you the opportunity of purchasing £250 worth of safety clothing and/or equipment that will be reimbursed by Lilly. Please take your receipt to Kevin McKeown who will arrange for you to receive a cheque as reimbursement.

We look forward to continuing to work with you in 2009 and hope that you will continue to place a high focus on keeping your work as safe as possible.

Yours sincerely

Gary Oldham  
Leader, Engineering & Facilities Management
